## What are the Mini-Masterclasses?

- Infant Feeding - from breastfeeding to introducing your baby to solids, find out about the local support available.
- Parent-Infant Relationship - there is support available to keep building on the positive bond with your child.
- Parenting Support - find out about the groups and online programmes to support you as a parent.
- Playful Learning at Home and Tiny Talkers - find out more about how play at home can help develop your child and support their speech development.
- Baby Massage - taster session to learn strokes and rhymes to help soothe and relax you and your baby.
