

WSCP MULTI AGENCY TRAINING

Working Together Basic Awareness

March - April 2021 feedback

Recent surveys show that 94% of attendees in March - April 2021 found their skills, knowledge & confidence had improved since attending the course.

“ I found the "encompass" system extremely interesting as it allows schools to be aware of any issues that may occur after police involvement with domestic violence ”

“ The training format is so easy to access. the speaker was very clear and pace was good. Signposting to other written information and agencies really useful too. ”

“ TA very useful, clear and the to the point training session that gives practitioners the basic knowledge they require. ”

LEARNING OBJECTIVES

An introductory course covering basic safeguarding.

It gives participants information about the principles for working with children, young people and families.

COURSE INFO

Recorded training online. Duration 90 minutes

We ask that all attendees complete the basic awareness recorded training prior to enrolling on Working Together shared responsibility.

TARGET AUDIENCE

Practitioners with either no safeguarding training or who need a refresher.

Agencies include health, education, police, social care, early help and the voluntary sector

Learning Objectives covered:

- Working Together to keep children safe
- Agency roles and responsibilities with regard to Safeguarding Children
- Child Abuse and Neglect including the signs and indicators
- When & How to raise concerns
- Wakefield Continuum of Need and local thresholds
- Early Help in Wakefield
- Wakefield Families Together
